

The Greater Gainesville Dog Fanciers' Association, Inc.

Code of Ethics

As a member of the Greater Gainesville Dog Fanciers' Association, Inc, I promise to uphold the Club's By-Laws, and pledge the following:

- a) To comply with all AKC rules and regulations and to breed only dogs which are purebred and of the same breed.
- b) To maintain a high standard in the care, breeding and maintenance of my dogs.
- c) To breed only those dogs which are representative of the Standard of the Breed.
- d) To refuse to sell any dog which does not meet the Breed Standard for breeding purpose, or to sell as a pet, only if the dog is neutered or spayed or if the bill of sale notes that the dog will not be bred.
- e) To refuse to supply dogs for any commercial enterprise.
- f) To give honest representation of the dogs and puppies offered for sale, without intent to mislead or advertise falsely in any way.
- g) To provide with any dog sold, a complete health record, registration record (if applicable), pedigree, diet and care information, and to continue to provide reasonable help for the life of the dog.
- h) To share with the public my knowledge of the Standard and care of the breed.
- i) To conduct myself in such a matter as to promote sportsmanship, never demeaning another fancier of his breed, or compromise the integrity of the Club.

For the purpose of this statement, the word dog is used to mean both the male and female of the breed.
